What's Happening

Pancake breakfast – the 7th annual pancake breakfast was another big success, serving 450 people. Thank you to everyone who attended and to the many volunteers who helped during the pancake breakfast. We would especially like to thank the individuals and businesses that graciously donated items for the pancake breakfast. Their donations helped to defray the expenses associated with putting it on.

Drawing for afghan – Blane “Frank” Miller of Cedar Falls, father of Darcy Powell in Unit Six, was the winner of the crocheted afghan. Our thanks to Nancy Williams for her donation of the afghan to raise money to help make the center more easily accessible for the handicapped.

Acoustics – We met with an acoustics company. They performed a sound test and gave a recommendation, along with a list of their installations. There are a couple of other companies that we will inquire with and then make some site visits before a decision on the solution is made.

Holiday Lake Apparel ‘N More make great gifts and are available year round at the Holiday Lake Office. If you can’t find exactly what you are looking for, we would be happy to help you place your pre-paid order. Items ordered usually arrive within a few weeks. If you have any questions, just give Kim Pendarvis a call at (641) 522-6082.

The Community Center Committee is asking for your help. We are looking for some ideas for fundraisers and artwork designs for next year’s apparel. We are also looking for more lot owners to step forward and join our committee to help with this wonderful addition to Holiday Lake. If you have any suggestions or questions, please let us know. You may contact Kim Pendarvis at (641) 522-6082.

YourHelpIsNeeded

The Community Center has hosted many events so far. However, we still need your donations so that we can take care of the acoustics and some finishing touches. If you have already made a donation, we thank you. But, maybe you would be interested in adding to your current donation to advance you to the next level. Any amount that you can give will be greatly appreciated.

Have a nice winter. We look forward to seeing all of you next year.

INDEPENDENCE DAY CELEBRATION:

On Saturday, July 4, 2009, a lot of wonderful lot owners stood in the rain to collect money for the fireworks. \$4,068.16 was collected thanks to them. Along with the donations of cans and bottles throughout the year an additional \$3,225.48 was added to the fireworks fund.

Something new this year was the skydivers, landing in the baseball field, this is also scheduled for next year.

Unfortunately due to the rain, the paddle boat races were canceled. The fireworks were shortened due the wet weather; the pyrotechnics will include them in the Saturday, July 3, 2010, display.

Garbage:

Please pick up after yourselves and your guests and take your garbage with you.

Orange Flags:

All land craft recreational vehicles **must** have an orange safety flag mounted on the craft, which extends not less than one foot above the highest point of the vehicle, including person(s) in/on the vehicle. Other flags may be on your land craft but an orange flag is mandatory.

The speed limit on the Holiday Lake roads is twenty-five (25) miles per hour or such lower limit as is required to safely use such roads after taking into account the sight distance, road conditions, oncoming traffic, pedestrians and lake occupants.

Accomplishments:
